Dear Parents,

Welcome to Christ Church Preschool. We strive to provide a loving Christian atmosphere where children are given many opportunities to explore, grow and develop physically, emotionally and spiritually.

We look forward to getting to know you and your child. We want to create an environment where children feel loved and special for their uniqueness, and have a supportive relationship between the parents and our staff.

I would like to personally say what a privilege it is to work with each of your children. Our program strives for high standards of excellence but it can't be reached without your prayers and support.

Thank you for partnering with us.

Blessings,
Amber Harmon
Center Assistant Director

Program Overview

Toddlers/Twos

Our programs are designed to meet the needs of very young children. Loving, experienced, care giving in a safe, stimulating environment is supplemented with a curriculum geared for early learning. WEE Learn Curriculum is a thematic, faith-based and developmentally appropriate curriculum which is **implemented in each child's daily routine**. (Curriculum emphasizes gross motor and fine motor development, as well as cognitive and social skills.)

Toilet Training

The goal of these programs is to meet the needs of each child. We ask that children three years and older be potty trained due to lack of proper changing facilities. Teachers will work on an individual basis to assist efforts at home toward toileting success.

Threes/Fours/Fives

Preschool age children will enjoy a balanced day filled with age-appropriate learning activities in our stimulating classrooms. A busy day of learning centers, small group and large group opportunities and lots of hands-on art, science, reading and math will make for a fun-filled learning experience. Each program implements WEE Learn Curriculum, Handwriting without Tears and Count on Math into their daily routine.

Special Needs

Christ Church Preschool recognizes each child as a unique and special person with the potential to grow and learn. Our developmentally appropriate environment is designed to provide learning opportunities for a wide spectrum of abilities. Depending on facilities and resources, we make every effort to accommodate special needs.

School Closures

Christ Church Preschool will closely follow the CISD school year calendar for all closures. A copy of the calendar can be picked up in the preschool office.

For additional closures, please see the parent/staff calendar for your child's class.

Procedures for Release of Children

Authorization to Pick Up a Child

Written authorization and a photo ID is required to release a child to someone other than the parent. Please provide a written statement if you wish to add to or delete from your pick-up list. Any person other than a parent picking up a child must provide photo ID.

Arrival and Departure

Children **MUST** be in the care of an adult at all times. Upon arrival, your child must be left with a **staff member. At dismissal, a staff member must be made aware of your child's departure. It is the parent's responsibility to inform alternate caregivers** such as babysitters or grandparents of these essential security procedures.

It is our policy that each child should be escorted to and from his/her classroom by an adult. Please instruct other children in your carpool or older brothers or sisters not to enter the room but to remain in the hallways. This is a rule for the safety of the children as the classrooms are arranged for safety and age-appropriateness.

Car Safety

Your child's safety is our first concern. Please drive slowly and carefully in our busy parking lot. Hold your child's hand when crossing through the driveway or parking areas. Each child must have an individual car seat as required by Texas State law.

Preschool Hours

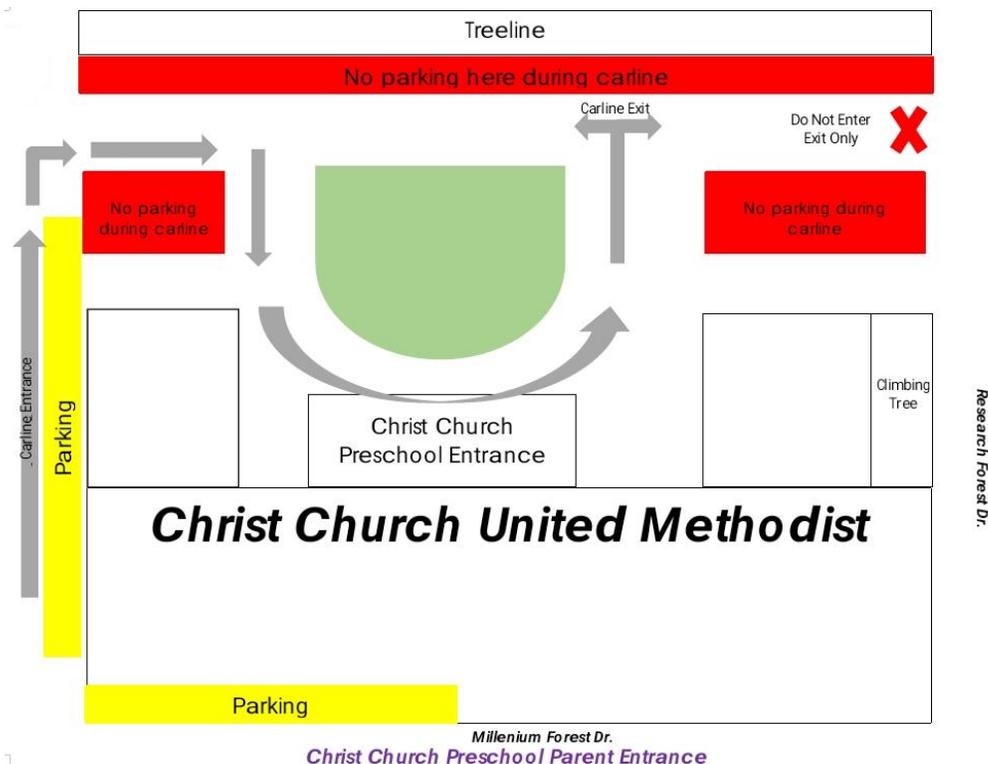

Preschool and programs begin at 9:00 a.m. Teachers cannot accept children before 8:55 a.m., as they are getting ready for the day. Please feel free to wait in any of the sitting areas of the church while the teachers prepare the rooms. To ensure your child is present for class activities, we ask you bring your child in no later than 15 minutes after class has started. If you will be arriving later, please call our office to advise us. Our day ends at 2:00 p.m.; Children must be picked up promptly. After 2:15 p.m., children may be picked up in the office. A late fee of \$5.00 for each ten minutes or portion thereof will be charged. Chronic lateness may result in additional late charges and possible dismissal from school. If you are unavoidably detained, please call the school so we can assure your child of your arrival.

Preschool Car Line

For your convenience, we provide a drop-off and pick-up car line. Rain or shine, our morning drop-off begins at 8:55 a.m. and our afternoon pick-up begins at 1:55 p.m.. Please put your car in park while we remove or put your child in the car. Your child must have the appropriate car seat or booster seat as required by Texas State Law. Once your child is loaded into your vehicle, please wait to leave **until the car in front of you has moved forward to exit**. For everyone's safety, do not pull out of carline to go around other parked cars. Staff are unable to load your child into a car without proper car seat or booster seat.

If you prefer, you are welcome to park and bring your child into the school. If you do not use car line; you must park in the parking lot in the front of the church (off of Millenium Forest) or on the side of the church. (Please refer to carline diagram below.)

Please do not park in the circle drive between the hours of 8:45 a.m. – 9:15 a.m. or 1:30 p.m. – 2:30 p.m. in observance of the car line. Please refer to the carline diagram below.

Illness and Exclusion Criteria

Children with fever, diarrhea, vomiting or other symptoms of contagion will not be admitted. Fever must be *absent for 24 hours, without fever reducer*, following an illness before a child may be exposed to others. If a child becomes ill during the day, a parent (or other authorized adult) will be called to pick up the child immediately. For this reason, it is imperative that emergency numbers and contact information are current.

Emergency Form

Please list the persons authorized to pick up your child and keep us informed of any changes to the contact information as it is important for us to be able to quickly contact parents for emergency pick-up. The emergency contacts are contacted next if the first-call contact is not available.

Medication Procedures

Generally, Christ Church Preschool does not give medication to children during preschool hours. In the circumstances of a life-threatening illness or life-threatening allergy, appropriate medication as described by the physician will be administered to children in the Preschool program.

Medical and Emergency Procedures

A current medical record form signed by a physician must be on file for each child. A signed emergency form must also be on file, in case your child should need emergency medical attention. This form should list any medications your child takes routinely, any allergies and health insurance information. The medical form must be renewed prior to the expiration date of last medical exam to continue care and immunization records must be updated immediately following each well child exam.

Parent Notification Procedures

Parent to Teacher

Your relationship with your child's teacher is very important. The teacher wants to communicate with you. A note or a quick word about any changes at home (new baby, parents away, illness, death of a pet, etc.) allows the teacher to help your child deal with feelings. Conferences with your **child's** teacher will be scheduled bi-annually (Fall and Spring). We are happy to schedule specific conferences with the teacher and/or center director upon request.

Teacher to Parent

Teachers send home a **Daily Report for toddlers and two's**. Children three years to transition will receive communication through newsletter **to provide you with additional insight into your child's** school day. **Please check your child's bag and folder daily.**

Office Staff to Parents

The office staff is here to assist you and your children. We welcome your phone calls, written messages and emails. The key to the success of our program is the open communication between parents and staff.

Incident Report Form

Minor accidents sometimes occur. Parents are notified of minor scrapes, bumps and bites on an incident form in which will require your signature.

Policy Changes

Any policy change will be communicated to parents through written notification with a signature card **attached for your acknowledgement to be kept in your child's records.**

Orientation

A parent/child orientation will be held each fall, at the start of school. The purpose is to answer any questions that the parents might have about the school and classroom policies, curriculum plans, and schedules. It also provides an opportunity to meet the teachers and become acquainted with the **parents of your child's school friends.**

Discipline and Guidance Practices

The purpose of all discipline in our preschool is to help children increase self-management skills and become socially responsible. Teachers help children express their feelings, cooperate with other children, and negotiate conflicts. Only positive, non-punitive methods are used to achieve our goal. We recognize that young children have limited and highly variable abilities to manage their emotions and control their reactions. When a child needs restrictions, they are clearly defined and consistently maintained. At no time will a child be physically punished, threatened, or intimidated. Techniques used are:

- 1) Diverting attention to a constructive pursuit
- 2) Compromising and negotiating differences
- 3) Encouraging children to seek alternatives within the boundaries of their individual capabilities

If a distressed child needs help to regain his self-control, he will be allowed a supervised private time, away from the situation, to quiet himself before a reassuring adult seeks to help him re-enter his classroom activity. If disruptive behavior is consistent, parents will be contacted so that we can work together to find a solution.

Although every effort will be made to avoid termination, we reserve the right to permanently dismiss any child who is frequently:

- 1) disruptive to the learning process
- 2) destructive
- 3) causing deliberate bodily injury
- 4) using abusive language
- 5) referred to the center director repeatedly without obvious positive results

Immunization Requirements

The Medical Release and Immunization Form **must be completed by the child's physician and parent** and returned to the preschool office PRIOR TO THE START OF SCHOOL. All immunizations must be current and signed by your doctor. You can access the requirements via www.tdh.state.tx.immunize. Please keep the school office informed of new immunization and current health information pertaining to your child. Children four years of age or older must have vision and hearing screening results on file annually.

Allergies

Please notify us in writing if your child has a specific allergy. Food allergies must be listed on the medical release form signed by your pediatrician. An allergy packet will also need to be completed.

Hearing and Vision Screening Requirements

All children enrolled in a four or five year old class are required to have their vision and hearing screened. This policy is based on the Texas Special Senses and Communication Disorders Act (1983). Appropriate fees are charged and collected when the screenings take place. You may choose to have your child screened elsewhere, including the local school district. **Early identification of vision or hearing problems is critical to your child's well being.**

Registration

For Current Openings

Registration for Christ Church Preschool takes place year round.

For the Upcoming School Year

Registration for the preschool begins in February. We begin with currently enrolled families, then the church families, followed by open public enrollment.

Waiting List

We maintain a waiting list for those interested in enrollment as space becomes available.

School Records

Prior to a child beginning our preschool program, appropriate records must be on file under the direction of the Texas Protective and Regulatory Services which oversees Child Care Licensing.

Registration Form

A new Registration Form is to be completed annually. This ensures information is current.

Confidential Information Sheet

The "Introduce Us to Your Child" form is for confidential use of the teachers working with your child. It helps us to understand your child and we appreciate the time you spend on it.

Permission and Release Form

This form gives permission for things such as picture taking and handbook acknowledgement.

Fees

Enrollment Fee

A non-refundable enrollment fee is required at the time your child is enrolled.

Tuition

Payments are due the first of each month and considered late after the 5th. Because we are a non-profit organization and we operate on fixed expenses, credits are not given for a child's absence. This includes childhood illness, family vacations and holidays.

Payment

Payment may be made via personal check, money order or via Sandbox Parent Portal. Make checks payable to CCP (Christ Church Preschool). Receipts are available upon request. Please do not send any money with your child in their backpack, lunchbox or classroom folder. Parents may place checks in the lockbox outside of the preschool office or mail them to the preschool: Christ Church Preschool, 6363 Research Forest Drive, The Woodlands, Texas 77381

To ensure your account is properly credited, **write your child's first and last name and class name in the memo section of your check.**

One month's advance tuition is due on or before April 19, 2022. This payment will be applied to May 2022.

Late/Returned Check Fees

Any bill outstanding after the 5th of each month incurs a \$20.00 late fee. Payments not received by the final business day of the month, are subject to attendance interruption, until the account is brought current. Returned checks incur a \$25.00 fee. Please contact the center director or business director to discuss further financial arrangements.

Church Member Discount

Christ Church United Methodists receive a \$50 discount on their annual enrollment fee.

Additional Fees

Nominal fees may be assessed to cover special programs. Room moms may ask for additional party fees.

Rates

Fees are set to reflect the high quality of early childhood education provided. As in any other school, expenses are constant, which prevents credit or discounts for absence due to illness, inclement weather or regularly scheduled holidays. At this time we do not offer reduced rates for families with more than one child. This is reviewed annually as we strive to be able to offer families the very best care for the most reasonable cost.

Withdrawal

Withdrawal is defined as permanent removal from any of the programs. Keep in mind the enrollment fee is non-refundable. Additionally, we require written notice 30 days prior to withdrawal.

Withdrawal without written notice forfeits eligibility for any applicable refunds. If a family withdraws with less than 30 days notice, tuition for the following month will still be charged. We will make every **effort to fill the child's spot, and if successful, that month's tuition will be refunded** on a prorated basis.

Special Events, Transportation/Field Trips

Christ Church Preschool does not participate in transporting children to off-site field trips. Rather, we bring enrichment activities to the children on campus. Additionally, all children **may enjoy a "field trip" on our beautiful church grounds. These special "on-site field trips" will be offered during the school year.**

Chapel

Children attend chapel each week. The CCUM children's ministries staff present age appropriate Bible stories along with songs.

Water Activities

On special Splash Days, we obtain your prior written permission in order for your child to participate.

Animals

Although some classrooms have pets, other animals may be brought to school only when the visit has been prearranged and approved by the center director. Parents will be notified in advance. Leashes and cages will be required where appropriate. When approved animals are on the school premises, we must have documentation and current vaccination records. This is mandatory for all animals entering school grounds according to state and local requirements.

Parent Visits/Classroom Visitation

Parents are welcome to visit the classrooms at any time. Unfortunately, siblings are not allowed. **Since the teacher's first** responsibility is to the children, do not expect a conference while classes are in session.

Open Door Policy

Christ Church Preschool has an open door policy for all parents. Parents are welcome at any time during our standard hours of operation to observe your child, our operation and program activities. No prior approval is necessary. Please be respectful of napping and quiet times if dropping off or picking up your child. However, we are unable to accommodate younger and older siblings in **classrooms at any time. Please make alternate arrangements for siblings prior to visiting your child's** classroom. We also encourage parents to register for classroom cameras at www.watchmegrow.com and observe through daily access of cameras.

Parent Participation

Parent participation is a vital part to the success of the event.

Each classroom needs at least one room parent to help organize events and parties throughout the year. If you are interested in volunteering, please fill out parent volunteer forms during orientation.

Clothing

Dress your child in clothing that is durable and comfortable. Your child is active in school and has opportunities to participate in messy activities such as those with paint, glue, and markers. We are not responsible for damage done to clothing during school activities. Weather permitting, children will have outdoor play and should dress accordingly. **Mark any removable clothing with your child's name. For safety reasons, no cowboy boots, crocs, or dangling jewelry are permitted. Children must wear closed-toe shoes. (athletic shoes are preferred)** It is required that a change of clothes, marked with **your child's name, be available if needed for your child.**

Birthdays

If your child wishes to share his/her birthday with classmates, please make arrangements ahead of time to send a special snack. Check with the teacher for the number of children, possible food allergies and to coordinate the date. We suggest that you send cookies. Any snacks must be in the original container from a bakery or store commercially licensed by the Health Department. State Licensing prohibits homemade treats. Please avoid chocolate, excessive sugar, and red dye. Do not send party invitations to school for delivery, unless there is one for every child in the class. When visiting the classroom alternate arrangements must be made for younger or older siblings as our classrooms are arranged with age-appropriateness and safety in mind. Balloons and candles are not permitted.

Show & Tell

Children age two and older enjoy the opportunity to bring something that relates to our curriculum and then discuss it. This fosters the connection between home and school, as well as language development and social skills. Parental guidance is needed in selecting a Show & Tell item. Some examples to bring would be an object from nature, a photo of **a new baby at home, or a "tell" to relate to** are always welcome. Please ensure Show & Tell **item fits in your child's backpack.**

Holidays and Special Events

Classroom parties include Christmas, Valentine's Day and Easter. (*Due to licensing regulations, we are not able to accommodate siblings for these events.*) Other special events may be added.
